**SECOND AMENDED AND RESTATED
CERTIFICATE OF COMPLETION**

This Second Amended and Restated Certificate of Completion ("Amended COC") amends and restates a previously Amended and Restated Certificate of Completion issued to Zions Securities Corporation and Marketfare Foods, Inc , on February 7, 2001 by the Utah Department of Environmental Quality ("UDEQ") following completion of the Bonneville Center Voluntary Cleanup. The purpose of this Amended COC is to remove groundwater monitoring requirements as a condition of the Specified Land Use in Section 3. This Amended COC also updates the current street and mailing address of the UDEQ and the parcel numbers and Site Plan of Applicant's property. The Amended COC will be effective upon the date signed by the Executive Director's representative below.

1 Compliance with Terms of Voluntary Cleanup Program

The Executive Director of the Utah Department of Environmental Quality, through her designee below, has determined that the Applicant (Zions Securities Corporation) has completed the Voluntary Cleanup Program in accordance with sections 19-8-108 and 19-8-110 of the Utah Code and the Voluntary Cleanup Agreement entered into on July 27, 1998, and that the Applicant and Marketfare Foods, Inc (Co-Applicant) are entitled to receive this Amended COC pursuant to section 19-8-111 of the Utah Code, subject to the conditions set forth in paragraph 3 below.

2 Acknowledgment of Protection From Liability

This Amended COC acknowledges protection of liability provided by Section 19-8-113 of the Utah Code to future property owners who obtain any portion of the 208.32 acre parcel located at 5600 West Amelia Earhart Drive, Salt Lake City, Utah, as described more fully in Exhibit A attached hereto, and to lenders who make loans secured by the Zion Securities Property covered by this Amended COC. In addition, this Amended COC also acknowledges protection of liability provided by Section 19-8-113 of the Utah Code to future owners of and lenders who make loans secured by Lots 6, 7 and 8 of Plat 6 of the Salt Lake International Center that are currently owned by Marketfare Foods, Inc , as described more specifically in the Attachment to Exhibit B (the "Marketfare Property"), relating to any liability that may arise from or be in any way related to the dissolved arsenic detected in the groundwater beneath the Marketfare Property, to the

SCANNED
DERR-2013-007461

NF
13

extent such conditions arise as a result of migration from the Zions Securities Property A map exhibiting the dissolved arsenic concentrations in the groundwater beneath the Marketfare Property is attached hereto as Exhibit B Together the Zions Securities Property and the Marketfare Property are hereinafter collectively referred to as the "Property " As set forth in Section 19-8-113, this release of liability is not available to an owner or lender who was originally responsible for a release of contamination, or to an owner or lender who changes the land use from the use specified in this Amended COC if the changed use or uses may reasonably be expected to result in increased risks to human health or the environment or to an owner or lender who causes further releases on the Property covered by this Amended COC

3 Specified Land Use

The Property covered by this Amended COC is expected to be used for commercial or light industrial purposes and shall not be used for residential purposes The Property use shall comply with the Site Management Plan dated February 10, 2000, on file with the Utah Department of Environmental Quality, Division of Environmental Response and Remediation as may be amended from time to time ("SMP") The SMP may be amended by filing an amendment thereto acceptable to the Executive Director The SMP among other things requires

- a Non-use and non-access to groundwater from the shallow aquifer located beneath the Property via wells, pits, sumps, or other means for the purpose of irrigation, drinking or bathing,
- b Compliance with the groundwater use contingency plan contained in the SMP if groundwater from the shallow aquifer located beneath properties downgradient of the Property is accessed via wells, pits, sumps or other means for the purpose of drinking or bathing,
- c Continued reimbursement to the Utah Department of Environmental Quality for its oversight of the SMP, and,
- d Continued consent to access by the Utah Department of Environmental Quality to monitor compliance with the SMP

4 Unavailability of Release of Liability

Failure to comply with the SMP shall constitute a change in land use expected to result in increased risks to human health and the environment making the release of liability unavailable as described in paragraph 2 above

5 Third Amended Certificate of Completion

Upon completion of the SMP, the Applicant and Co-Applicant, future owners or lenders may request the Utah Department of Environmental Quality record a Third Amended Certificate of Completion to delete compliance with the SMP as a condition of land use

UDEQ would like to commend Zions Securities Corporation's proactive approach to returning the Property to beneficial use
